

Sizwe Medical Fund: CDL Formulary - All Options

- This formulary is a summary of treatment covered on the Chronic Disease List (CDL) Formulary.

- Applications for approval on the Chronic Medication Benefit (Excluding HIV) can be faxed or e-mailed:

Fax: 011 353 0352 / 011 353 0076

Email: chronic@sizwe.co.za.

Pharmacists or doctors can register telephonically by calling 011 353 0030. Pharmacists or doctors can register telephonically by calling 011 353 0030.

- Please contact the **Wellcare Management Team at 0860 10 34 54 for all HIV/Aids queries**. Applications for approval on the HIV Programme, can be faxed to 011 221 5235.
- The 26 listed conditions below are covered in full in terms of the scheme rules if services are rendered according to the scheme's benefits, careplans, policies and protocols.
- These conditions are covered on all the options, but benefits will be more or less restrictive depending on the option the member has chosen.
- The dispensing pharmacy may select a different generic equivalent to assist members to avoid co-payments. Sizwe rates apply for generic equivalents.
- Stepwise therapy will apply according to state algorithms and latest applicable funding guidelines (First Line, Second Line etc).
- Disclaimer: Policies and formularies are updated by the Clinical Review Committee on a regular basis to comply with the latest industry norms, legislation, efficacy and safety.
- **PLEASE NOTE:** Claims will not be paid as a PMB without the correct and specific ICD10 codes on prescriptions and claims.
